(Example: A Class B team competing in a Jazz routine may opt to compete against Class A Jazz teams. They may not compete against Class C or D Jazz teams.) Only Varsity teams will be allowed to compete. Teams must be from NSAA member schools only. **A School's class size is determined by using the NSAA classification for girls' basketball.** No All-Star or Studio teams are allowed. There will be four categories in the Dance division. **Teams may enter two of the four available categories.** This must be specified on the registration form.

B. CATEGORY DESCRIPTIONS

** = Indicates limited lifting allowed with head coach AACCA certification – see page 12 for more information.

** **JAZZ** - Jazz encompasses any range of jazz movement including but not limited to traditional jazz, contemporary, lyrical, musical theatre jazz, and jazz funk. Important characteristics include stylized dance movements and combinations, visual effects, and technical elements. Emphasis is

placed on proper technical execution, control, musical interpretation, and team uniformity.

****POM** - Pom routines must utilize poms during 80% of the routine. Important characteristics include proper pom placement, strength of movement, dance technique, and routine staging. Emphasis is placed on precision, visual effectiveness, athleticism, and team uniformity.

HANDS FREE POMS – The use of hands-free poms will be allowed. Hands-free poms are defined as poms specifically made so that performers do not have to hold the poms but rather, they are affixed to the performers hand. Proper use means bars cannot be in the palm of the hand and only an elastic band can be between the supporting hand and the performance surface for skills, tricks, etc. A hair tie, rubber band, or tying pom strings/pieces together will not be counted as a hands-free pom.

** **HIP HOP** - Hip Hop routines may include any street style movements (or combination of styles) that have evolved from the hip hop culture. Important characteristics include quality of movement, a grounded approach, creativity, flow, and control. Emphasis is placed on authentic style, execution, musical interpretation, originality and team uniformity.

****HIGH KICK** - A kick routine requires teams to have a minimum of 60 kicks, performed by at least half of the dancers. Important characteristics include variety of kicks/kick combinations, routine staging, creativity, and visual effects. Emphasis is placed on precision, timing, control, technique, and team uniformity (including height of kicks). Teams with an odd number of dancers will have the allowance of one less (example: a team has 15 members – both 8 dancers executing a kick AND 7 dancers executing a kick will count as the 'majority').

- Leg Holds: If the leg hold is lifted off the ground with force at or above 90 degrees and is performed by a majority of the team, it is considered a kick that counts toward the requirement.
- Ripple/Contagions: When a kick is performed in a ripple or a contagion by a majority of the team, it will count as one (1) kick toward the requirement.
- Chasing Ripples/Pickups: These kicks will count as one (1) kick, however many times it is completed by most of the team.
- Contracted/Can-Can Kicks: Any time the leg extends at or above 90 degrees, contracts and extends again at or above 90 degrees, it will be defined as separate kicks.
- Passe, flick kicks which kick behind the dancer, turn sequences, toe taps, kicks while kneeling or sitting, etc will not be counted as kicks.

II. JUDGING PROCEDURES

The judges for the event will be appointed at the sole discretion of the Tournament Director. **The judging panel will be split, with half judging Execution and half judging Choreography. Each section will be averaged, and then the Execution section average will be added to the Choreography section average. All judges will evaluate Communication/Projection and Overall Impression, and this score will be averaged among all judges.**

Below is a breakdown of score calculation. Sample scoresheets can be found on the NCA website under the Cheer/Dance tab.

Execution average – 40 pts
Choreography average – 40 pts
Communication/Projection average – 10 pts
Overall Impression average – 10 pts
Final Score – 100 pts

III. SCORES AND RANKINGS

Individual score sheets are for the exclusive use of each particular judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores for all teams. All ties in each division or group will remain with the exception of first place. **In the event of a first place tie, the tie**

will first be broken by carrying the decimal places out for the total score. If a tie remains, the ranking points from each judge will then be used to break the tie. Should a tie still remain, the ranking points from the “Overall Effect” portion of the scoresheet will be used to break the tie. After the competition, teams will receive the judges' score sheets and comments for their team, as well as a ranking sheet with the names & scores of all teams in their group. No scores or rankings will be given over the telephone. **JUDGES SCORES ARE FINAL. TEAM RESULTS ARE CONFIDENTIAL AND WILL NOT BE MADE AVAILABLE TO ANY OTHER PARTIES BY THE NCA OR VARSITY SPIRIT.**

IV. HOW TO HANDLE PROCEDURAL QUESTIONS

A. RULES & PROCEDURES

1) Any question concerning the rules of the competition will be handled **exclusively** by the advisor/coach of the team and shall be directed to the Event Director. Such questions should be made prior to the team's competition performance.

B. PERFORMANCE

Any questions concerning the team's performance should be made to the Event Director immediately after the team's performance. **Deduction sheets should be picked up at the designated area within 20 minutes of their completed performance. Coaches will have 15 minutes from when their deduction worksheet is received to dispute the ruling. Any disputes made after that time frame will not be considered. If a dispute is submitted, the entire routine will be reviewed, including the deduction in question.**

V. SPORTSMANSHIP

All participants agree to conduct themselves in a manner displaying good sportsmanship throughout the competition with positive presentation upon entry and exit from the performance area as well as throughout the routine. The advisor and coach of each team is responsible for seeing that team members, coaches, parents, and any other persons affiliated with the team conduct themselves accordingly. **Severe cases of unsportsmanlike conduct are grounds for disqualification. When a coach is in discussion with an official, other coaches, athletes, and parents/spectators, they must**

maintain proper professional conduct. Failing to do so may result in a 1-point penalty, removal of coach, or disqualification. Note that noisemakers of any kind are prohibited at this competition (i.e. drums, horns, bells, etc).

VI. INTERRUPTION OF PERFORMANCE

A. UNFORSEEN CIRCUMSTANCES

1) If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected should **STOP** the routine.

B. FAULT OF TEAM

1) In the event a team's routine must be interrupted because of failure of the team's own equipment, the team must either continue the routine or withdraw from the competition.

2) The competition officials will determine if the team will be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety but will be evaluated **ONLY** from the point where the interruption occurred.

C. INJURY

1) The only persons that may stop a routine for injury are: a) competition officials, b) the advisor/coach from the team performing or c) an injured individual.

2) The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The team may perform the routine again in its entirety but will be evaluated **ONLY** from the point where the interruption occurred.

3) The injured participant that wishes to perform may not return to the competition floor unless:

a) The competition officials receive clearance from, first, the medical personnel attending to that participant, the parent (if present) **AND THEN** the head coach/advisor of the competing team. b) If medical personnel do not clear the participant, the participant can only return to the competition if a parent or legal guardian in attendance signs a return to participation waiver.

c) Any athlete who exhibits signs or symptoms consistent with concussion should be removed from the activity at that time and should not be allowed to return to activity that day. The athlete should not return to activity on a subsequent day until evaluated by and receives written clearance for such participation from a qualified physician (MD or DO specifically trained in concussion management).

d) In addition to Varsity Brands head injury policy, we encourage you to be familiar with the specific laws of the state.

VII. INTERPRETATIONS AND/OR RULINGS

4) Center markers will not be allowed. This includes but is not limited to: stuffed animals, toys, alternate dancers, spacing ropes, etc.

5) Teams will have a maximum of 2 minutes (2:00) to demonstrate their style and expertise. If a team exceeds the time limit by more than 3 seconds, they will be penalized.

6) Timing will begin with the first choreographed movement or note of music, whichever is first. Timing will end with the last choreographed movement or note of music, whichever is first.

XIII. MUSIC

1) For the most up to date music and copyright licensing information, visit www.varsity.com/music. If you have any questions, dance coaches should email dancemusic@varsity.com. 3) Each team must have a coach/representative to play their music. This person is responsible for bringing the music to the music table and pushing “play” and “stop” for the team.

4) All music MUST be on MOBILE DEVICE. Please bring any necessary adapters for your device to fit a standard, 3.5mm auxiliary cord. Please have back-up music readily available on an alternate mobile device or CD.

XIV. CHOREOGRAPHY/COSTUMING

1) All facets of a performance/routine, including choreography & music selection, should be appropriate and suitable for family viewing and listening. Examples of inappropriate choreography may include, but are not limited to, vulgar or suggestive

movement appearing offensive or sexual in content, displaying acts of violence, and/or relaying lewd or profane gestures. Music containing words unsuitable for family listening is not allowed. This includes, but is not limited to, swearwords and connotations of any type of sexual act or behavior, drugs, and/or violent acts or behavior. Removing improper language or words from a song and replacing with sound effects or other words may still constitute 'inappropriate.' Music or movement in which the appropriateness is questionable or with which uncertainty exists should be assumed by the coach to be inappropriate and removed, as to not put their team in an unfortunate situation.

2) Shoes, on both feet, are recommended but not required while on the performance surface. Please note that should dancers choose to wear shoes, anything with wheels is not allowed (example: roller skate, roller blades, heelys, etc.). Wearing socks and or footed tights only is not allowed.

3) The use of powder, glitter or any other airborne substance that lingers in the competition area shall be strictly prohibited.

4) All costuming & makeup should be age appropriate & acceptable for family viewing.

5) When dancers are standing at attention, all costumes/uniforms must cover the midriff area completely. The midriff includes the entire midriff section from the bra line down, front of the body only. Nude body liners are acceptable. This rule applies to all categories. All male dancers' costumes must include a shirt that is fastened; however, it can be sleeveless.

6) Jewelry as part of the costume is allowed.

7) For the safety of all athletes, tights are HIGHLY recommended to be worn with costumes, but not required.

XV. PROPS

Articles of clothing, such as jackets, headbands, sunglasses, hats etc. may be removed from the body and discarded; these items may not have any choreographed movement done with them. If taken off and danced with, it becomes a prop. Items/articles of clothing

brought onto the performance floor but not worn are considered props. Poms being used in a pom routine do not count as props.
