**Nebraska Coaches Association  
Boys' Golf Super-State/All-State Teams**

*Presented by:*

Classification comparisons are based solely on the athletes' performance at the NSAA State Championships. The top 15 scores, combined in all classifications at the state championships (including ties) and state champions of all classifications are included in Super State.

If the top five or more finishers within a classification are selected to the Super-State team, there are no additional All-State selections for the classification.
