The following was written as a tribute to Ed Colleran, a Nebraska High School Sports Hall of Fame and NHSACA Hall of Fame inductee from Spalding Academy. It was published in his hometown paper, entitled simply "A Tribute" and signed "A Former Player".

A TRIBUTE

I am thousands of souls who
have spanned 40 plus years of time.
I am the child who thought I couldn't make it,
the one who
wasn't big enough, tall enough,
or fast enough.
I am the one you encouraged,
you disciplined, you worked with,
teaching me the important
lessons of life.
I grew to be all-American,
all-state, all-conference, and
at your insistence, all-academic.
I was there for the state tournament,
conference championships,
numerous victories –
you were there for the tough defeats.
I learned your lessons, and now
I am doctor, farmer, mother, father.
I am the parent of the next generation.
I teach your lessons so
that on the field of life,
my children may be touched by
your hand, your life.
I am the one who grew with you,
fought for you, prayed for you,
loved you.
Now you live on in me.
I am your player.
You are my coach.
Signed,
All of us you touched
