

Nebraska State Cheer & Dance Weather Information & Policy

1. The event will take place as scheduled unless weather in Grand Island forces a delay or cancelation.
2. If the event must be cancelled entirely, which would be a last resort decision, there will be **no alternate date**. The first option will be a delayed start and schedule adjustment – there are limits to such a plan due to the numbers participating in the event and the availability of the venue.
3. With the large geographic area of the state of Nebraska, it is understood that weather conditions can vary from one area of the state to another.
4. Teams' travel and accommodation decisions rest entirely with each individual school. We encourage advanced open communication between each school's administration, coaches and parents. Do not risk travel if there is any question of safety for students and staff.
5. Communication of possible schedule delays and/or cancellation will be through e-mail to the head coach and the social media platform X at <https://x.com/nebraskacoach>. These will be the only methods of communication and all coaches and school administrators should check these forms of communication should they have questions. The timing of the decisions would be dependent upon the weather itself.
6. Refunds: As stated in the handbook and at the time of registration, no registration fees will be refunded once daily schedules are finalized in early January. All ticket sales are final, no refunds.
