2024-2025 NCA COACHES OF THE YEAR

FOOTBALL

Chad Fox.....Wahoo
State titles: 2019, 2024
2024 record: 13-0

"A few highlights in my career include coaching in the 2012 & 2016 Nebraska Shrine Bowl, leading teams to the State Championships in 2019 & 2024, and securing a State Runner-Up finish in 2023."

VOLLEYBALL

Christina Boesiger.....Norris
State titles: 2013, 2014, 2024
2024 record: 38-1

"The 2024 State Championship was a significant coaching achievement."

BOYS CROSS COUNTRY

Todd McQuistan.....Holdrege
State titles: 2024

"An important moment was getting the chance to coach my son on a state championship team."

GIRLS CROSS COUNTRY

Mark Oliver.....Auburn
State titles: 2024

"This year's championship was a testament to the perseverance of a great group of girls who never gave up on their goals. Once in a lifetime a coach is blessed with a team that has, "IT". "IT" is the total package. . . a coach's lottery ticket! A jackpot win of talent, smarts, courage and a monumental amount of mindfulness to their team and their goals. I hope that every coach has a chance to work with a team like this. It is a blessing."

SOFTBALL

Bill Heard.....Gretna
State titles: 2015, 2024
2024 record: 38-0

"The most significant coaching memory is that most of the players on this year's team have been together since elementary school."

BOYS BASKETBALL

Joel Hueser.....Papillion-La Vista South
State titles: 2025
2024-2025 record: 26-3

"This season, I was reminded of a simple yet profound truth while reading a quote from Big Panda and Tiny Dragon by James Norbury. In it, Big Panda asks, "Which is more important, the journey or the destination?" Tiny Dragon replies, "The company." Winning a state title is special, but what made it unforgettable was the people I shared it with—my family, my inner circle, my coaches, my players, and so many others who have been part of my journey. They are the reason I love what I do, the ones who have shaped me, challenged me, and lifted me up along the way. To experience this milestone alongside them has been one of the most meaningful moments of my coaching career, and for that, I am forever grateful."

GIRLS BASKETBALL

Scott Guzinski.....Oakland-Craig
State titles: 2025
2024-2025 record: 26-3

"One of the most memorable moments of coaching was when freshmen Hilary Ray hit a three-pointer as the shot clock expired, with about 20 seconds remaining in the state championship game. The shot put us ahead by four points against Elkhorn Valley, capping off an incredible comeback from a 15-point deficit."

WRESTLING

Cody Wintz.....Battle Creek
State titles: 2024 Individual Tournament, 2025 Dual/Individual Tournament
2024-2025 dual record: 15-0

"It's all been such an incredible journey. From starting out hoping for a state qualifier the first couple years to now expecting state medalists and state champions every year has been such a blessing. The last four years, experiencing all this success while having a son on the team and having him be a big part of that, has been incredible. The ending to this year's state tournament will forever be etched in my mind. The intensity of the moment, sending out our two best guys knowing they needed pins to give us a shot, having them deliver, and then relying on a respected rival to pull an upset, it was just remarkable to experience."

BOWLING

Nikki Bradley.....Northwest
State titles: Unified 2016, Girls 2025

"My coaching moments have been when we won the 2025 Girls State Championship because the girls worked really hard for that one, getting State Runner up for the Boys in 2021 because my son was on that team & when we won the 2016 Unified State Championship because my daughter was on that team."

SWIMMING & DIVING

B.J. Christiansen.....Omaha Marion
State titles: 2020, 2021, 2023, 2025
2024-2025 Record: 11-1

"An important coaching moment came during the first week of the season this year. The girls were doing a social kick set, towards the end of the week, where they kick and are able to chat with each other. My coaching staff turned to each other and made note of how comfortable and close the girls were just in the first week of the season. We had seniors talking with freshman, juniors with sophomores, etc. It didn't matter what grade, they were chatting away like they were lifelong friends. It was this moment we knew we had a great group of girls, and some amazing things were going to happen this season. A close team is not afraid to take risks, work hard, and get out of their comfort zone because they are comfortable with those around them. Our State Championship was possible because of the total team effort they gave this year."

BOYS TRACK & FIELD

Mike Spargo.....Dundy County Stratton
State titles: 2025

"A memorable coaching moment was the 2025 Boys and Girls State Championships. 12 Golds, 5 Silvers, 5 State Meet Records, 1 State Record set at the State Meet and 2 other State Records set during the year."

GIRLS TRACK & FIELD

Justin Horner & Jocelyn Suing.....Bennington
State titles: 2025

"My favorite moment in coaching at Bennington was being with all the athletes at the end of the 2025 NSAA State track meet and watching the Girls receive the Class B State Championship trophy. The celebration put a punctuation on a long journey. All the girls put their heart and soul into their training for the past year. Watching them come together to finish it off was amazing."
— Coach Horner

"The most important coaching moment was Kennedy Wade earning two Class B state meet records in 2023." — Coach Suing

BASEBALL

Zach Wehner.....Malcolm
State title: 2023, 2024, 2025
2025 record: 28-2

"Winning the State Championship this year with the Seniors who were Freshmen when we started Malcolm High School Baseball has been a highlight of my career."

SOCCER

Ulises Fuentes.....Schuyler
State titles: 2025
2025 record: 19-2

"A defining coaching memory for me was leading our soccer team to win the conference, district, and state championships in the same season. It was an incredible journey marked by hard work, resilience, and growth. Seeing the players come together and achieve something so meaningful reminded me why I love coaching."

GOLF

Lee Plath.....Lincoln East
Boys State titles: 2025

"My favorite coaching moments include seeing Max Moss win state, working with the guys, and watching the guys complete our Ryder cup drill."

TENNIS

Matt Wiemers.....McCook
State titles: 2017, 2022, 2025

"Witnessing the team come together throughout the season and have an awesome two days at state was a great moment. I will never forget the satisfaction and excitement in the eyes of our players as I put their state medals around their neck."

2024-2025 NCA COACHES OF THE YEAR

SIGNATURE
CHAMPIONSHIP RINGS

DANCE

Jessica Fauss.....Elkhorn South

State titles: 2025 Pom & Jazz

"Watching the girls faces when they realized they accomplished their goals. That's what makes coaching so special."

CHEER

Casey Clements.....Elmwood-Murdock

State Runner Up: 2023 Non-Tumbling

"As a mom of three boys, I have always loved sports. Watching them, playing them and coaching when our boys were little. I cheered through junior high and high school too. The girls give me another chance to mentor another generation to be strong, confident young women. I love laughing with them, watching them set and achieve their goals as students and as athletes. They add that extra sparkle to my life every time I'm around them."

STRENGTH & CONDITIONING

Amber Burson.....Lexington

"Our Strength & Conditioning program has grown in leaps and bounds in the last 15 years. My favorite coaching memories are all of the students we have put through our program that come back and work for us in our summer program and have gone on to become Strength & Conditioning professionals as a career choice."

DOYLE DENNEY HEART OF A COACH AWARD

Joe Benson, Scottsbluff

NCA CAREER AWARDS

Richard Britten, Brady – Binnie & Dutch Award

For 40 years, Coach Richard Britten has been the heart and soul of Brady High School Track & Field, leading both the boys' and girls' programs with unwavering dedication and passion. A fixture in Class D athletics, Coach Britten's teams have consistently represented Brady with excellence, highlighted by the Girls State Runner-Up finish in 2017. Under his leadership, the Eagles captured four girls district championships and two boys district titles, and he coached numerous

individual state champions who proudly stood atop the podium in Omaha. His efforts and impact on the sport were recognized with the Level III Milestone coaching honor, reflecting a career marked by success and commitment to young athletes. Among the many memories built over four decades, one stands out above the rest—the 2016 State Meet, where Emery Swan's victory in the 800 meters and the boys' back-to-back triumphs in the 4x400 relay created an unforgettable moment of pride and celebration for the Brady community. Coach Britten and his wife Tia have seven children and 16 grandchildren.

Kevin Asher, Aurora – Ed Johnson Award

For over three decades, Coach Kevin Asher has left a lasting mark on Nebraska high school basketball. From 1988 to the present, he has led programs across the state—including Pleasanton, Elm Creek, Norfolk Catholic, Millard West, Pender, Wood River, St. Cecilia, and Aurora—building a reputation rooted in excellence, leadership, and a deep love for the game. Coach Asher's career highlights include 6 Conference Championships, 10 District Titles, and 4 State Championships in

2009, 2010, 2015, and 2016. His impact hasn't gone unnoticed—he was named Nebraska Coaches Association Coach of the Year and Nebraska Basketball Directors Association Coach of the Year in 2015, Grand Island Independent Coach of the Year in 2016, and a four-time Huskerland Prep Coach of the Year. While the titles and accolades are meaningful, Coach Asher reflects on something even more powerful—the relationships. Sharing the 2015–2018 State Tournaments and Championships with his sons and their classmates remains one of his greatest thrills. Yet, it's seeing the lives his former players now lead, even dating back to his early years in 1986, that brings him the most pride: *"The memories over the years and seeing the young men I coached now, and the life they have, is the most rewarding part of why this is all worth it."* Coach Asher is a proud husband to Jackie, his wife of 28 years, and father to Brooks, Trey, and Makenna.

Dennis Oliver, Pender – Guy Mytty Award

With an incredible 41 years (and counting), Coach Dennis Oliver has become a legendary figure in Nebraska wrestling. His career spans multiple sports—including football and track & field—but it's on the wrestling mat where his lasting legacy has been built. Since joining Pender High School in 2000, Coach Oliver has led the program with passion and precision, compiling an impressive 158-88 dual record. Under his leadership, Pender has become a consistent state contender.

His teams have: qualified for the State Duals twice, including a state runner-up finish; finished State Tournament runner-up three times; and earned a top-three team finish once and placed in the top 10 three additional times. Perhaps most impressive is the individual success he's helped cultivate: 101 State Qualifiers, 61 State Medalists, 31 State Finalists, and 22 Individual State Champions. Pender has etched its name in the record books, holding a Class D State Tournament record with 5 individual state champions—a feat unmatched in class history. Coach Oliver has been named Nebraska Coaches Association Coach of the Year twice, earned two Guy Mytty Award winners for Class D, and was inducted into the Hall of Fame. Off the mat, Coach Oliver is a proud husband to Brenda, and father to Benny (wife Molly, 2 children) and Brady (wife Hanna, 1 child). He also shares his home with the family dog, Lu.

Shane Fruit, Ogallala – George O'Boyle Award

For nearly three decades, Coach Shane Fruit has been a driving force in Nebraska cross country. After 8 years at St. Paul, Coach Fruit found a long-term home at Ogallala, where he spent 27 seasons and counting, building one of the state's most respected programs. Over the course of his career, he compiled a remarkable 2976-798 record, a testament to the consistency and excellence he brought to the sport. Under his leadership, Ogallala cross country reached the highest levels of

success with three State Championships (2006, 2008, 2010), a State Runner-Up in 2009, and three Individual State Champions: Dillon McKeag (2012), Lucy McKeag (2019), and Lindee Henning (2023). Coach Fruit's dedication and character have earned him widespread recognition, including: three-time finalist for National Cross Country Coach of the Year; recipient of the prestigious Doyle Denney Heart of a Coach Award (2023); and was named NCA Boys Cross Country Coach of the Year in 2009. As a 44-year member of NCA, Coach Fruit has published articles for the NCA Magazine, has presented at the NCA Multi-Sports Clinic, served on the NSAA Cross Country Advisory Committee and helps administer the Fellowship of Christian Athletes cross country camp for the last 19 years. While the championships and honors are meaningful, Coach Fruit says his greatest coaching memory was winning the 2006 state championship with his son on the team—a moment that combined personal pride with professional fulfillment. Coach Fruit and his wife Taine are the proud parents of Tanner, Shayna, and Tayler. His legacy is one of leadership, integrity, and a deep belief in Jesus that have led him to try to excel in every area of his life.

Jerry Stracke, Guardian Angels Central Catholic – Ken Cook Award

Coach Jerry Stracke began his coaching journey in 1993 at Scribner-Snyder, followed by a stop in Beemer, before finding his longtime home at Guardian Angels Central Catholic (GACC). Over the span of his career, he built one of the most dominant girls basketball programs in Nebraska, compiling an extraordinary 568-142 record. Coach Stracke led his teams to 21 consecutive state tournament appearances with two Class D1 State Championships (2012, 2017) and three consecutive Class C2

State Championships (2003, 2004, 2005) leading to a three-time state-record winning streak. Jerry was awarded the Dominant Dynasties Award in 2006 and the Fischer Family Hall of Fame Award in 2018. Coach Stracke's most cherished memory came during the legendary winning streak: *"Coaching the group of girls that broke the consecutive win streak was unforgettable. Fans brought old record albums and, as we neared the milestone, they began a countdown—smashing the albums when we broke the record. It was such a special experience for the girls to be a part of."* Coach Stracke's career continues to serve as an example of what long-term dedication and leadership can achieve.

Larry Knaak, Plainview – Swede Hawkins & Del Schoenfish Award

For an extraordinary 50 years, Coach Larry Knaak was the face of boys and girls golf at Plainview Public Schools, dedicating his entire coaching career to the community he proudly served. His decades of leadership, teaching, and passion for the game have impacted generations of athletes. During his storied tenure, Coach Knaak guided Plainview golf to nine State Tournament appearances with three Boys State Runner-Up finishes, three Boys 3rd Place team finishes, and three Girls 3rd Place

team finishes. His excellence was recognized with the prestigious Level III and Level IV Jerry Stine Family Milestone Award in Boys Golf, a testament to his long-term success and dedication to student-athletes. For Coach Knaak, the most rewarding moments weren't just the trophies—it was the people. *"Getting to coach all three of my sons, and later their children, was a special joy. In 50 years, I've had hundreds of students in the golf programs. Even after graduation, many would come back asking for a quick fix on their swing or a short chipping or putting lesson."* Coach Knaak is a devoted husband to Janice and proud father to Jay, Tim, and Bruce. His half-century of coaching is marked not just by competitive success, but by lifelong relationships, mentorship, and a legacy that will remain etched in Plainview's history.

Terri Neujahr, Waverly – Phyllis Rice-Honor Award

Coach Terri Neujahr began her volleyball coaching journey in 1987 as an assistant coach at the University of Nebraska–Lincoln, laying the foundation for a remarkable career in the sport. She later brought her passion and leadership to Waverly High School, where her coaching legacy continues to grow. Over the course of her career, Coach Neujahr has compiled an impressive 409-199 record, guiding her teams to three Conference Championships, nine District Championships, and nine

State Tournament appearances. Her impact extends far beyond wins and losses. She has coached two Gatorade Nebraska Volleyball Players of the Year, three High School All-Americans and numerous athletes who went on to play at the collegiate level. Recognized by her peers, Coach Neujahr was selected as a NCA All-Star Assistant Coach, earned Level III Jerry Stine Family Milestone status, and has been a proud 19-year member of the NCA. She has served on the NCA Volleyball Advisory Committee, is a member of the AVCA High School Leadership Council and will take on a prominent leadership role as the NCA President-Elect for 2025–2026. While her list of accolades is impressive, Coach Neujahr's true joy comes from the relationships built through the game. *"My most precious memories are all about the players I've coached and the coaches I've worked with. The moments in and out of the gym—laughing, crying, celebrating big and small victories—those are the special ones. Watching these women grow into amazing individuals who accomplish more than they ever thought possible, on and off the court, is what thrills me most."* Coach Neujahr and her husband Loren are the proud parents of two children and doting grandparents to four grandchildren. Her career is a testament to the power of sport to inspire growth, build community, and transform lives.

Skip Olds, Alliance – Skip Palrang Award

With a career spanning 26 years, Coach Skip Olds made a lasting impact on Nebraska high school football through his leadership, determination, and ability to turn programs around. His coaching journey included stops at Banner County, Gordon, Millard, and Alliance, compiling an impressive 145-83-5 career record. One of the defining highlights of his career came in 1976 at Gordon High School, when Coach

Olds led his team to a perfect 10-0 season, earning the title of Mythical State Champions in the inaugural year of official state playoffs—and securing the State Championship trophy. He would go on to win 5 District Championships and 12 Conference Championships, building a reputation for excellence wherever he coached. His honors and service include Shrine Bowl Assistant and Head Coach, East-West All-Star Game Coach, NHSACA Regional Football Coach of the Year, Nebraska Coaches Association Football Coach of the Year, Clinic Speaker, 25-year member and President of the NSIAAA, and 26-year member of the Nebraska Coaches Association (NCA). Reflecting on his career, Coach Olds shares his greatest source of pride: *"My most rewarding memories include coaching my own son and serving at four different schools that had struggling football programs with losing records. When I left each school, all four had been turned into winning programs. I accepted the challenge, battled ahead, and left them a winner."* Coach Olds' legacy is built not just on championships and accolades, but on his tireless work ethic, transformational leadership, and his enduring belief in the power of perseverance and mentorship in shaping young athletes and programs.

The following was written as a tribute to Ed Colleran, a Nebraska High School Sports Hall of Fame and NHSACA Hall of Fame inductee from Spalding Academy. It was published in his hometown paper, entitled simply "A Tribute" and signed "A Former Player".

A TRIBUTE

I am thousands of souls who
have spanned 40 plus years of time.
I am the child who thought I couldn't make it,
the one who
wasn't big enough, tall enough,
or fast enough.
I am the one you encouraged,
you disciplined, you worked with,
teaching me the important
lessons of life.
I grew to be all-American,
all-state, all-conference, and
at your insistence, all-academic.
I was there for the state tournament,
conference championships,
numerous victories –
you were there for the tough defeats.
I learned your lessons, and now
I am doctor, farmer, mother, father.
I am the parent of the next generation.
I teach your lessons so
that on the field of life,
my children may be touched by
your hand, your life.
I am the one who grew with you,
fought for you, prayed for you,
loved you.
Now you live on in me.
I am your player.
You are my coach.
Signed,
All of us you touched
